Dear P3 Parent / Guardian,

**2024 Primary 3 Visit to Singapore Society for the Prevention of Cruelty to Animals (SPCA)**

1. As part of the school's effort to nurture caring leaders anchored in GR<sup>3</sup>IT, selected Primary 3 students will visit SPCA as part of the efforts to contribute meaningfully to the community. This is aligned with our Character and Citizenship Education learning of being an active contributor that engages students to discover the different societal needs within the community.
2. The selected Primary 3 students will have the opportunity to embark on an educational learning journey to SPCA, offering them an opportunity to gain a deeper understanding of SPCA's mission and the work it undertakes. This visit strives to broaden their understanding of animal welfare and also the many roles that SPCA undertakes in protecting and caring for animals.
3. SPCA is a non-governmental, registered animal welfare charity that promotes kindness and prevents cruelty to animals through education, advocacy and action. Through the visit, we hope your child will:
  - a. Understand he/she can spread kindness through his/her personal actions;
  - b. Create a friendly and helpful environment; and
  - c. Reflect on their experience and commit to doing simple kind acts.
