01 August 2025

FROM THE DESK OF THE PRINCIPAL

Dear Parents / Guardians

As we pass the midpoint of Term 3, we look forward to a significant occasion in our national calendar, the celebration of Singapore's birthday. This year's National Day theme, "Together, As One United People," highlights the enduring values of Inclusivity, Community, and Trust, values that have empowered us to overcome challenges and thrive over the past six decades.

At Yu Neng, we are excited to bring this theme to life as we come together as a school to commemorate National Day on 8 August 2025. We hope our students will experience a renewed sense of unity, pride, and hope for the future as we celebrate this special occasion together. In addition, please also find in Annex A, two photos from the Padang when our Primary 5 students attended the National Education Show (NE Show) on 12 July 2025.

As our key partners in nurturing our students to become active and rooted citizens, your continued support is vital in strengthening our home-school partnership. We encourage you to stay connected and engaged by following our school's Facebook page at <https://www.facebook.com/YNPS>, where we regularly share updates and highlights of school life.
