

[L070/2025]

30 June 2025

FROM THE DESK OF THE PRINCIPAL

Dear Parents/Guardians,

Welcome back to the new school term! We hope that our students had a restful and meaningful June holiday and are ready to embark on the learning experiences that lie ahead. As we begin the term, we would like to share with you several key events and programmes that have been planned. We remain grateful for your continued trust, support, and partnership, and we look forward to a purposeful and fulfilling term together.

1. UPDATES

1.1 Staff Movement

We are pleased to welcome the following teachers who have joined our school this semester, and we look forward to their contributions and collaboration with our school community:

- Ms Zhang Di (Chinese Language Teacher)
- Mdm Ong Lee Leng (Chinese Language Teacher)
- Mdm Wu Chin Min (Chinese Language Teacher)
- Mrs Loh Soo Meng (English and Mathematics Teacher)
- Ms Yuan Minting (Music Teacher)

In addition, Ms Lee Hui Siew will be joining us as a Chinese Language Student Teacher from 30 June to 1 August. We wish her a meaningful and enriching learning experience with us.

1.2 Weighted Assessment and End-of-Year Examination

Details regarding the assessments for Semester 2 will be shared in a separate letter via Parents Gateway on Friday, 4 July. This information will help you better understand the assessment scope and schedule for your child. We encourage you to review the details together with your child and support them in planning their revision and managing their time effectively.

2. ACHIEVEMENTS AND ACCOLADES

2.1 Singapore and Asian Schools Math Olympiad

We are delighted to congratulate our students on their outstanding performance in the Singapore and Asian Schools Math Olympiad (SASMO). This prestigious competition challenges students to apply advanced problem-solving skills and nurtures mathematical confidence.

Our students have shown exceptional dedication and perseverance, exemplifying our GR³IT values throughout their preparation and participation. Their accomplishments are a testament to their hard work, resilience, and potential for continued growth in mathematics.

2.2 Asia-Pacific Mathematical Olympiad for Primary Schools

We are also pleased to celebrate the achievements of our students in the Asia-Pacific Mathematical Olympiad for Primary Schools (APMOPS). Established in 1990, this prestigious competition aims to foster a deep interest in mathematics and enhance higher-order problem-solving skills among primary school learners.

Our students have exemplified excellence through their dedication and embodiment of our GR³IT values. We are confident that they will continue to grow and reach new academic milestones in their learning journey.

2.3 Singapore Youth Festival 2025 Art Exhibition

The Singapore Youth Festival (SYF) Art Exhibition (AE), organised annually by the Ministry of Education, provides a valuable platform for students to showcase their artistic talents and promotes art appreciation across schools. The exhibition celebrates the artist in every student and underscores the integral role of art in a holistic education.

We are proud to share the outstanding achievements of our Art Club at this year's SYF AE. Their remarkable artworks will be featured in the SYF online gallery, with one piece selected for display at the National Gallery Singapore this July. This recognition is a testament to their dedication, creativity, and collaborative spirit. We commend our students for their pursuit of excellence, and we celebrate their resilience, passion, and artistic talents. Congratulations to our young artists on this well-deserved accomplishment!

Through dedicated weekly sessions, they persevered, supporting one another and collaborating seamlessly as a team. This collective effort not only enhanced their artistic abilities but also nurtured a strong sense of resourcefulness and connection.</p>

2.4 National School Games Badminton Senior Boys

We extend our heartfelt congratulations to our Senior Boys for achieving 4th place in the recent National School Games. Their commendable performance is a reflection of their unwavering dedication, perseverance, and strong team spirit. We are immensely proud of their efforts and accomplishments.

2.5 National School Games Wushu

We commend our Wushu athletes for their outstanding performance in the National School Games Wushu competition. Their impressive display of skill, discipline, and dedication has made us immensely proud. Congratulations on this well-deserved achievement!

We extend our heartfelt congratulations to Nicholas Zhou of 1 Integrity for securing the bronze medal in the Junior Boys Bouldering category. His determination, perseverance, and commendable effort have brought pride to the school. Well done, Nicholas!

3. UPCOMING EVENTS

3.1 YNPS e-Open House

As part of our outreach efforts to parents and the wider community, we are pleased to announce the launch of our e-Open House. This virtual event provides an opportunity for parents and the public to learn more about our school through our website.

Themed “A Legacy of Growth, A Future of Promise,” the e-Open House will feature key highlights such as Our YN Experience and the Yu Neng Primary School Tour videos. The event will be

accessible via the following link: (<https://go.gov.sg/yneoh>) starting from Monday, 30 June. We would greatly appreciate your support in publicising this event to all interested parties.

3.2 Cultural Performance Exposure Scheme (CPES)

On Wednesday, 2 July, our Primary 4 Chinese Language students (excluding those enrolled in Higher Chinese) will participate in the Cultural Performance Exposure Scheme (CPES) programme (文化随意门”计划) at Tampines East Community Centre. This initiative is designed to enrich students’ understanding and appreciation of Chinese language arts by exposing them to traditional cultural performances. During the programme, students will enjoy a professional Chinese opera production titled *The Monkey King Borrowed Treasure from the Dragon Palace* (龙宫借宝) and gain insights into the fundamentals of opera, including the instruments and movements involved.

3.3 P6 Learning Journey to Lee Kong Chian Natural History Museum

As part of the Science Department’s ongoing efforts to enhance students’ understanding of real-world scientific concepts, our Primary 6 students will embark on a learning journey to the Lee Kong Chian Natural History Museum in Term 3, from Thursday, 3 July to Friday, 1 August. They will participate in the Singapore Biodiversity and Adaptation Workshop, which aims to deepen their knowledge of Singapore’s rich biodiversity and the various adaptations exhibited by animals. Through this workshop, students will explore different structural adaptations and develop the ability to infer behavioural adaptations by examining a range of animal specimens. More details will be shared by the P6 Science teachers in Term 3 Week 1.

3.4 Visit by K2 students from Preschools

On Friday, 4 July, our school will be hosting K2 students from three preschools. Our Primary 1 students will warmly welcome these young visitors into their classrooms, with some acting as buddies to guide their juniors through various activities. Additionally, our Primary 1 ambassadors will lead the K2 students on a tour of the school. We take great pride in our students' roles as contributors and changemakers in this meaningful engagement.

3.5 FAME@YN

FAME@YN is a platform designed to give students the opportunity to showcase their talents and build confidence. All Primary 1 to 3 students are invited to express their interest in performing in August 2025, during their respective recess periods. Performances may include a dance, song, or instrumental piece aligned with this year's theme, "*Movie Mania*". More information can be found in the SLS assignment titled "FAME@YN 2025 2nd Edition." Students may indicate their interest by Sunday, 6 July. We look forward to vibrant and engaging performances and wish all participants a meaningful and creative learning experience as they prepare to take the stage!

3.6 Math Week

Our annual Math Week will take place from Tuesday, 8 July to Friday, 11 July. Throughout the week, students will engage in a range of enriching activities during curriculum time and recess, all designed to deepen their appreciation and understanding of mathematics. These activities aim to broaden students' mathematical knowledge, encourage the application of concepts to real-world contexts, and highlight the relevance of mathematics in everyday life. We appreciate your continued support in fostering a love for learning and mathematical curiosity in our students.

3.7 Student Leaders' Investiture 2025 & Prefects' Investiture 2025

At Yu Neng, we are dedicated to developing future leaders grounded in strong values. As part of our Total Learning Experience, we aim to provide opportunities for all students to excel and pursue their passions fully. Aligned with the theme "Leadership Ignite", the Student Leaders' Investiture 2025 seeks to inspire our student leaders to discover their passion, drive, and purpose to lead. We encourage them to embrace student agency by stepping forward confidently, taking ownership, and shouldering greater responsibilities. Through this, they will continue to be a positive influence, guiding others and contributing meaningfully to our school community.

The Investiture ceremony will be held on Friday, 11 July, in the School Hall in the morning. This event marks the official appointment of our student leaders, including the newly appointed Primary 3 Prefects and CCA Leaders, as they assume their roles with pride and purpose. A highlight of the ceremony will be the symbolic handover of responsibilities from

the Primary 6 Prefect EXCO Team to the newly formed Primary 5 Prefect EXCO Team, representing the continuity of leadership and shared commitment to serve with integrity and dedication.

In addition, an on-site Prefects' Investiture will be held in the afternoon for Primary 3 to 5 Prefects and their parents. This event invites parents to join us in celebrating the Prefectorial Board and reinforces the importance of the Prefects' service in upholding school rules and living by our motto, "Light Up and Shine", fostering a welcoming and enriched environment for all at Yu Neng.

3.8 P5 National Education Show

The National Education (NE) Show is a key platform to instill in our students the importance of national identity, as well as a strong sense of pride and belonging. This year, our Primary 5 students will be attending the NE Show on Saturday, 12 July. Further details regarding the event can be found in the letter to parents available on Parents Gateway.

3.9 P3 & P4 Home-Based Learning Day (HBL)

Project Work (PW) offers a multidisciplinary learning experience that encourages students to think creatively and critically, applying knowledge gained in lessons to real-world contexts. Through this process, students also reflect on and evaluate their work processes and learning attitudes, continually striving for improvement. At Yu Neng, our Project Work adopts a blended learning approach, where students effectively utilise technology to enhance their research skills, communicate ideas, and collaborate with peers online. They also leverage technological tools to confidently present their work to authentic audiences, inspiring action on their chosen causes.

The scheduled Home-Based Learning (HBL) Day for Primary 4 Project Work is on Wednesday, 16 July, and for Primary 3 Project Work on Wednesday, 23 July. These HBL days provide students with valuable opportunities to demonstrate essential digital literacy skills and cultivate the dispositions necessary to become self-directed and independent learners. On these HBL days, Primary 3 and Primary 4 students are expected to remain at home to engage in planned online and offline learning activities. Teachers will provide students with clear instructions on how to access the required learning materials. We kindly ask parents to make the necessary home care arrangements for their child.

Students enrolled in our school-based Student Care Centre (SCC) may attend from 1:30 pm on the respective days. Please coordinate directly with our Big Heart SCC for arrangements. Additional information is available in the letter sent to parents via Parents Gateway.

3.10 Commemoration of Racial Harmony

The theme for this year's Racial Harmony Day is *Singapore: Our People, Our Tapestry*. It highlights how our diverse cultural threads are woven together to form a cohesive and vibrant society. While these threads may occasionally fray due to tensions or external influences, it is our shared responsibility to strengthen and preserve them through mutual respect and understanding.

To commemorate this occasion, the school has planned a series of meaningful activities and experiences from Monday, 21 July to Friday, 25 July. As part of the celebration, we strongly encourage all students to come dressed in an ethnic attire of their choice on Friday, 25 July, paired with their school shoes, to honour and appreciate Singapore's rich cultural diversity. Students from Primary 3 to Primary 6 may bring along their school uniform or PE attire to change into after assembly.

3.11 P4 Social Studies Learning Journey to Kreta Ayer

Our Primary 4 students will be visiting the Kreta Ayer Heritage Gallery on Tuesday, 22 July, Wednesday, 23 July, and Thursday, 7 August. The visit aims to deepen students' understanding of Chinese heritage and culture while promoting social interaction and fostering a sense of community. Further details will be shared via Parents Gateway in due course.

3.12 P5 Rice Appreciation Day

The rice plants harvested by our Primary 5 students in Term 2, Week 10 are now ready for threshing and milling in preparation for Rice Appreciation Day, which will be held on Monday, 28 July. Students will soon begin the threshing and milling process during Term 3, Weeks 2 and 3, as they prepare to enjoy the fruits of their labour. In addition to celebrating the rice harvest, students will also present findings from the investigative experiments they conducted in Term 2. These findings are expected to offer valuable insights into how the rice germination process can be further enhanced in future cycles.

3.13 P1 Social Studies Learning Journey to Jacob Ballas Children's Garden

Our Primary 1 students will be embarking on a field-based learning journey to Jacob Ballas Children's Garden on Tuesday, 29 July, Wednesday, 30 July, and Friday, 1 August. The objective of this learning experience is to nurture students' curiosity and appreciation for the natural world. Please note that the learning journey may be postponed in the event of inclement weather, and a replacement session may be arranged, subject to availability. Further details will be provided in the consent form on Parents Gateway, which will be shared at a later date.

3.14 Self-Directed Learning Days during PSLE Written Papers

To support the conduct of the PSLE Written Papers, a number of our teachers will be involved in invigilation duties. As such, Self-Directed Learning (SDL) Days have been scheduled for Primary 3 to Primary 5 students during this period. These SDL Days are designed to foster greater independence and self-management in learning. Students will be provided with meaningful learning tasks by their teachers to complete at home. We seek parents' support in ensuring that your child has a conducive environment for learning and stays on task during these days.

Levels Involved	Day & Date
P3 SDL Day	Thu 25 Sep
P4 SDL Day	Fri 26 Sep
P5 SDL Day	Mon 29 Sep

4. IMPORTANT THINGS TO NOTE

4.1 Health and Well-being Matters

Your child's health and well-being remain our top priority. We are committed to maintaining a safe and healthy environment for all students and staff, and we seek your continued support in achieving this shared goal. If your child is feeling unwell, please ensure that he/she stays at home to rest and seeks medical attention if necessary. For students recovering from respiratory-related illnesses, we encourage the practice of social responsibility, such as wearing a mask and minimising close interactions in large groups. MOE will continue to closely monitor the public health situation and adjust precautionary measures as needed.

As part of our ongoing health protocols, a temperature-taking exercise will be conducted on Wednesday, 9 July, with a familiarisation exercise on Friday, 4 July. Kindly ensure that your child has a working personal thermometer and brings it to school daily.

4.2 School Security and Safety Measures

To ensure a safe and secure environment for all staff and students, the school has implemented a range of safety and security measures as part of our ongoing commitment to student well-being. We would like to thank you for your support throughout Semester 1 and look forward to your continued cooperation in Semester 2.

Please take note of the following measures when entering or waiting within the school premises:

- All visitors are required to report to the security desk at the school foyer to register their visit.
- If you have an official appointment with a staff member, please proceed to the General Office to obtain a visitor's pass.
- Parents and caregivers are not permitted to wait within the school compound while school is in session. You are kindly requested to wait punctually at your child's designated dismissal gate.
- Students involved in CCA or other after-school activities will be dismissed via Gate 4.

As part of our continued efforts to cultivate a strong safety culture, the school regularly reminds students of our safety philosophy: Think Safe, Play Safe, Stay Safe. We seek your partnership in reinforcing these values at home by encouraging and role-modelling safe behaviours. For example, please remind your child to use the traffic lights when crossing the road and ensure that students who cycle to school wear a properly fitted helmet. Together, we can build a safer environment for all our children while instilling lifelong habits of safety and responsibility.

4.3 Advisory on Parking in Season Parking Lots

We kindly urge all parents and guardians to refrain from parking in the designated season parking lots located in the carpark adjacent to the school during morning drop-off and afternoon dismissal. These lots are reserved for residents who rely on them for their daily parking needs. We seek your understanding and cooperation in using alternative waiting areas that do not disrupt residential parking arrangements. Your support will go a long way in maintaining a harmonious relationship with the surrounding community.

4.4 Key Dates to Note

Please take note of the following key dates for Term 3.

Public Holiday / School Holiday	Date
Youth Day School Holiday	Monday, 7 July
National Day	Saturday, 9 August
National Day Designated Day Off-in-lieu	Monday, 11 August
Teachers' Day	Friday, 5 September

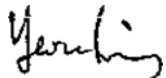

5. IN CLOSING

We would like to express our sincere appreciation for your continued support and partnership. Please find attached Annex A: Schedule of Key School Programmes and Activities for Semester 2, to assist you in your forward planning. While every effort has been made to ensure the accuracy of the information provided, please note that the schedule may be subject to changes, where necessary.

We value your strong support of our key school events and look forward to working closely with you in supporting your child's holistic development. Wishing you and your child a fulfilling and enriching semester ahead.

Thank you.

Yours-in-education

Mr Ng Yeow Ling
Principal
