FROM THE DESK OF THE PRINCIPAL

Dear Parents / Guardians,

Our graduating cohort is in the midst of their Primary School Leaving Examination (PSLE), my staff and I would like to wish them all the best for their PSLE. They have shown resilience and good discipline throughout the preparation for the national examination. We believe that they will do themselves and the school proud.

We are into the last lap of the academic term and our students will be sitting for their final year assessment. As our teachers prepare and support our students, we would like parents to provide our students with appropriate support and encouragement at home for them to complete the final term with confidence and to their best ability. We too hope that our students will embrace a positive mindset for learning and growth, and spur towards achieving their goals. Let's continue the strong home-school partnership for the benefit of our students.

We are pleased to provide an update and an overview of upcoming events and activities for your reference.

2.2 P5 Camp GRIT at Changi Coast OALC

Aligning to the school's mission of providing a holistic education, the school organises cohort camp for the Primary 5 annually. This year they will be having their **residential camp** at Changi Coastal Outdoor Adventure Learning Centre. The students will leverage on the outdoor experience to help themselves discover more about themselves, their peers and the outdoors. The camp will be conducted from **28 - 30 Oct 2024**. They will report to school as usual in their camp t-shirt and track pants for the first day and dismiss from school at 1.30pm on the third day, do refer to the schedule and packing list for more details.

2.3 P6 Post-PSLE Activities

The school has designed a special post-PSLE programme for our P6 Class of 2024 who will soon be completing six years of their primary school journey at Yu Neng Primary School. Some key highlights include:

- Several Secondary Schools face-to-face Roadshow to help our students make informed choices during the Sec 1 posting exercise.
- Applied Learning Programme workshops on Artificial Intelligence (AI) to help our students better appreciate how components like Computer Vision and Machine Learning can be applied in our daily lives.
- Activities to impart Cyber Wellness principles and values.
- SEP - Learn-to-Bowl.
- P6 Celebration Day to mark the end of their learning journey in primary school, as well as a YN89 Celebration.

More details will be shared at a later date.

2.4 P1 Orientation for new P1 students (2025 cohort)

The P1 Orientation programme for the P1 (2025) cohort will take place in Yu Neng Primary School where parents and students will attend the session from 2.30 p.m. to 4.30p.m. on Fri 8 Nov. There will be talks for the parents while students will be engaged in classroom activities as well as a recess experience. Through this programme, the school aims to provide parents and students an opportunity to have a better understanding of life in Yu Neng Primary School. We look forward to receiving our new P1 students and their parents!
