2. UPCOMING EVENTS

2.1 Caring Teacher Award & Share A Compliment

As we prepare to celebrate Teachers' Day this September, we warmly invite you and your child/ward to nominate deserving educators for the Caring Teacher Awards (CTA) 2026. The CTA recognises teachers who go beyond their professional duties to care for and nurture the holistic development of their students. These dedicated educators play a crucial role in shaping confident, independent, and resilient learners who are prepared to contribute meaningfully to our society. Your nomination will not only honour our teachers but also encourage them to continue making a positive difference in the lives of their students. Nominations can be submitted via the following link: <https://www.cta.nie.edu.sg/nominate>

In addition, we welcome you to affirm the efforts of our non-teaching staff such as our School Counsellor, SEN Officers, administrative or support staff if they have made a positive impact through their service via the following link at: <https://www.yunengpri.moe.edu.sg/share-a-compliment>. A heartfelt note of appreciation can go a long way in encouraging our dedicated team of educators and staff.

2.2 P1 Learning Journey to the Science Centre

Our Primary 1 students will be embarking on a learning journey to the Science Centre between Monday, 22 September 2025 and Wednesday, 24 September 2025, as well as Monday, 6 October 2025 to Wednesday, 8 October 2025. The objective of the learning journey is to develop a lively curiosity in our students of the world around them and enable them to make connections to their learning during English lessons. During the visit, the students will engage in hands-on sessions to learn more about the different groups of animals and their characteristics. More details and the class schedule will be shared in due course.

2.3 YN90 Celebrations: Pass It On, Children!

We are excited to celebrate Children's Day on **Thursday, 2 October 2025, from 7:30 a.m. to 9:30 a.m.**, with the theme "Creating our Legacy Together". This theme reflects the essence of Yu Neng's mission to honour our rich heritage while inspiring future generations.

As part of our YN90 celebrations, we aim to set a record in the Singapore Book of Records through a special showcase. Our students will participate in a choreographed ball-passing display, demonstrating their physical education skills in a meaningful and coordinated effort. Beyond the physical activity, this performance carries a symbolic message, representing the love, passion, and dedication that define the Yu Neng spirit. The act of passing the balls from one to another reflects our shared responsibility in upholding and passing on the school's values and educational beliefs to the next generation. Through this celebration, we hope to inspire our students to carry forward the Yu Neng legacy with pride.

Please note that **Friday, 3 October 2025, is a scheduled school holiday.** Students will not need to report to school on that day.

2.4 YN90 Celebrations: Anniversary Concert

The YN90 Anniversary Concert will be held on **Thursday, 2 October 2025** from **5:00 p.m. to 6:00 p.m.**, to mark the significant milestone as we celebrate 90 years of educational excellence and community spirit. Themed "*A Legacy of Growth, A Future of Promise*," the concert pays tribute to our school's proud heritage while looking ahead with optimism and purpose.

This special event will feature performances by our Primary 4 students, showcasing not only their talents but also the holistic education that Yu Neng is committed to providing. We are honoured to welcome our Guest-of-Honour, Mr Baey Yam Keng, Mayor of the North East District, to grace the occasion.

We also look forward to hosting our **Primary 4 parents/guardians** who have indicated their attendance, as we come together to celebrate this memorable chapter in Yu Neng's journey.
